Common Name:	Hackbill		Ident #:	000002	
Submitter Name:	Pegwynn				
Classification:	Animal – [Omnivore] (old-bio flightless bird)				
Habitat:	Grasslands, plains & deserts				
Endurance:	122	Constitution:	18	Hibernation?	No
Power:	60	Vitality:	7	Hibernation Location:	n/a
Stamina:	16	Level:	6	When & How Long?	n/a
Muscle:	20	Crushing:	45	Number Encountered:	1
Accuracy:	5	Piercing:	31	Frequency:	Uncommon
Swiftiness:	21	Slashing:	62	Birthing / Laying Season:	Mid-Grona
Wit:	3	Arcane:	23	Likely Nesting Locations:	on a small hill / rise
Awareness:	17	Divine:	35	# in Brood:	1 to 2
Insight:	1	Psychic:	5	Chance for Treasure:	40%
Move Per Turn:	6 (walk) 12 (running)	Chance to train / Domesticate:	12%	Treasure types:	Armor, weapons
Physical Attack:	Prefers Crushing & Slashing: using a kick or beak attack.		Stat Attack (cl/pl)*s = cr	none	
What I Eat?	Anything it can chase down & grab that's smaller than itself.		What eats me?	Carnivores especially, Drakes & Bloodbears	
Abilities:	none		Exp Pts:	90 (150 if you catch, tame & ride it)	

Description:

The Hackbill loosely resembles a crow that is a little larger than an adult ostrich. Tail feather coloring is variegated colors of blue, females have a red crest and a narrow red stripe of feathers from the neck going backward to fade into the tail feathers. Oh, and they're pretty and know it!

It's mating call can be heard for up to a mile away and has an uncanny resemblance to the cough or sneeze of a human toddler.
